14 coalitions will be selected to participate in the Interagency Coordinating Committee on the Prevention of Underage Drinking's (ICCPUD's) *Alcohol Policy Academy*, a free, year-long training from November 2023 - September 2024. Coalitions will be provided with tailored coaching and training to implement evidence-based local and state alcohol policies. The program will require members to participate in monthly webinars and trainings, complete homework assignments and activities, engage in a one-day intensive workshop in Arlington, Virginia, and participate in the Policy Academy Track at Alcohol Policy 20 Conference. Related travel and registration fees to attend in-person trainings will be covered.
